Subject: Region 5 PreSFIREG Spring Meeting - Request for Agenda Items
Attachments: ATT00001.txt

All,

I hope everyone is healthy and doing well. We are planning the Spring PreSFIREG meeting and are looking for ideas for agenda topics. Unfortunately, the meeting will be virtual again this year and is scheduled for May 5 and 6 via MS Teams. Hopefully, we can get together for the fall meeting. It will sure be nice to see everyone in person again.

I've included a listing of items that Gary Bahr the SFIREG chair has asked that we discuss at our spring meeting.

- Pet collar issues, cases, and reporting to EPA; including products with insecticides such as flumethrin and imidacloprid,
- Dicamba registrations and regulation,
- 24(c) and 25(b) EPA and state registration processes,
- PFAS/PFOS in containers, pesticide products, environment, human health, laboratory testing support, and other issues to assist SLAs,
- COVID-19 EPA response and registration topics for disinfectants, and devices,
- EPA Credential issues and survey,
- Paraquat topics, regulation, and education,
- C&T Plan approval processes,
- Pollinators and managed pollinator use of pesticides,
- Hemp and Cannabis topics and issues,
- EPA Reregistration review of pesticides, EPA 15 year schedule, PIDs, Final IDs, BEs, BiOps; recent topics such as Pentachlorophenol and other wood treatment product issues, and EPA assessing Pyridines and Pyrimidines herbicides

Other items suggested so far include the following:

- Sec. 18s
- WPS Updates
- Workplans in CDX
- Grant process with Region 5 – working with two divisions
- New Region 5 QA/QMP review/approval process

Please respond with suggestions as soon as possible so that we can have the agenda in place by the end of the month.

Also, does anyone have a preference for the format of the meeting?? The fall meeting was held over two days with the first day running from 12pm CST until 4:30pm and the second day starting at 8:30am CST and ending around 11:30 am. Are we good with that traditional in-person format or would you rather try for everything in one day or maybe just the morning of each day???

Any thoughts would be appreciated.

Thanks for your assistance.
Brad
